PART A: All Facilities

THIS PART A APPLIES TO ALL *FACILITIES*. IT SHOULD BE READ

TOGETHER WITH YOUR *FACILITY DETAILS* AND EACH *SCHEDULE* SPECIFIED IN YOUR *FACILITY DETAILS*.

IF YOUR *FACILITY DETAILS* SPECIFY THAT YOUR *FACILITY* IS A *LARGE BUSINESS TRANSACTION*, PART F APPLIES IN ADDITION TO PART A.

DEPENDING ON THE TYPE OF *FACILITY*, PART(S) B, C, D OR E OF THE FACILITY GENERAL CONDITIONS ALSO APPLY.

How you use the *Facility*

1. What must happen before you can use the facility

- 1.1 We will only allow you to use the *facility* (or any part of it) if the following conditions are either met, in a form and substance reasonably satisfactory to us, or waived by us in writing:
- (a) the title to each *security property* (where relevant) is satisfactory to us;
 - (b) we are satisfied that you have an adequate and appropriate insurance policy for any *security property* that applies to your *facility* for its full insurable value and the policy notes our interest;
 - (c) all searches, certificates, reports and consents we request relating to a *security property* have been provided, are satisfactory to us, and you have paid our *costs* incurred in obtaining them;
 - (d) when your *facility* is to refinance an existing *facility*, you have given us a written payout figure from your outgoing financier, as at the *drawdown date*, and at settlement of your *facility* we have received any releases of *security interests* that we require;
 - (e) when any *security property* is, or is intended to be, the subject of any subdivision or amalgamation prior to settlement of your *facility*, you have given us 14 days written notification that the plans of subdivision or amalgamation, and the certificates of title, have been registered;
 - (f) when any *security property* is part of a *shared scheme*, the *governing body* has any insurance policy that the law requires it to have, together with building unit cover over the whole of the building. We must be satisfied that the level of any insurance cover for the policy is adequate;
 - (g) we are satisfied with any additional enquiries we have made, acting reasonably, about you or any *security property*;
 - (h) we are satisfied with any credit reference check undertaken by us on a *debtor/guarantor*;
 - (i) we have received any valuation reports we request from a valuer approved by us, the reports are satisfactory to us, and you have paid our *costs* incurred in obtaining them;
 - (j) we have received written confirmation from your accountant that your financial accounts are in order, that you have complied with all of your accounting and reporting obligations including your obligations in respect of *GST* and that all taxes and employee entitlements (including superannuation and PAYE) are up to date;
 - (k) we have received evidence to our satisfaction (acting reasonably) that all relevant council, water and other rates, *taxes* or charges for each *security property* (where relevant) are paid up to date;
 - (l) we have received, executed by you, the *Facility details* (including each *Schedule*), each *security*, and related documents (such as title documents);
 - (m) if you intend to use the *facility* for the purchase of any real property, we have received a copy of the contract of sale executed by the parties;
 - (n) if you are leasing any *security property*, we have received a copy of the lease;
 - (o) nothing has happened since you applied for the *facility* which would constitute a *change of credit*;
 - (p) when a *guarantee* is being given as a *security*:
 - (i) we have confirmed that each *guarantor* has received a copy of the *facility agreement*, the *guarantee*, and all relevant documentation required to be provided under the Banking Code of Practice (where it applies) or legislation;
 - (ii) if we have requested *guarantor* certificates of independent legal advice, we have received a certificate for *each guarantor* that the certificate is requested for, from the *guarantor's* solicitor who does not work for the law firm of solicitors acting for you or the law firm acting for us in relation to your *facility*; and
 - (iii) if we have requested *guarantor* certificates of independent financial advice, we have received a certificate for each *guarantor* that the certificate is requested for, from that *guarantor's* financial adviser or accountant;
 - (q) where you are a company, you have given us copies of the following documents, certified by one of your directors, or by your secretary, that the document is complete, correct and up to date:
 - (i) your certificate of incorporation; and
 - (ii) an extract of the minutes of your board of directors containing evidence of resolutions authorising you to execute this *facility agreement* and the *securities* and to perform your obligations under them;
 - (r) if you are entering this *facility agreement* as a trustee of a trust, or a *debtor/guarantor* is entering into a *security* as a trustee of a trust, we have received a copy of the trust deed certified as being complete, correct and up to date and the *terms* of that trust deed are satisfactory to us;
 - (s) we have received to our satisfaction all other documentation or information we reasonably require, including satisfaction of any special conditions stipulated in the *Facility details*, and any other settlement requirement we specify has been complied with;
 - (t) you have paid up to date all fees specified in the *Facility details* and all other amounts payable under this *facility agreement*;
 - (u) for a progressive draw facility, you have done all the things required by clause 19 of this Part A;
 - (v) for a construction finance facility, you have done all the things required by clause 20 of this Part A;
 - (w) you have provided us with evidence that you have paid or will pay at settlement of your *facility* any debts we have informed you in writing that we require you to pay;
 - (x) to the extent that they are relevant, you are complying with all other *terms* and conditions in this *facility agreement*, including any special conditions stipulated in the *Schedule*;
 - (y) we are satisfied that the representations and warranties in clause 3 of this Part A are correct and not misleading at that date, and if not correct or where there is any misrepresentation this would not constitute a *change of credit*;

- (z) we have completed all customer identification procedures and due diligence required under laws relating to anti-money laundering and counter-terrorism financing; and
 - (aa) you are not a *proscribed person*.
- 1.2 If you sign this *facility agreement* you will be bound by it. If you do not wish to proceed with your *facility* and you have not drawn down on the *facility* you may *terminate* the *facility* or this *facility agreement*. If you do so, we will require payment of all fees and charges incurred by us before *termination*, including the application fee stipulated in the *Facility details*.
- 1.3 If you have a *facility* to which Part B, C, D or E relates, there may be additional requirements that must be satisfied before we allow you to use the *facility*. Please refer to these other Parts.

2. Conditions of use

- 2.1 We require you to:
- (a) give us reasonable notice of the timing of any drawing or give us reasonable notice if you want to use a *facility*. The amount of notice that you must give us for a particular *facility* is stipulated in the relevant Part applying to that *facility*;
 - (b) comply with any specific drawdown requirements specified in each *Schedule* or in the relevant Part applying to that *facility*;
 - (c) meet all special conditions and all financial, reporting and other covenants stipulated in the *Facility details*; and
 - (d) if required by a *Schedule*, complete a *request notice* or any other document we may require from time to time. These forms and notices:

 - (ii) must be signed by an *authorised officer*; and
 - (iii) are irrevocable.
- 2.2 Whenever we receive a *request notice*, we may:
- (a) provide the type of financial accommodation requested by you in the notice or request; or
 - (b) provide any other type of financial accommodation as you and we agree.

We do not have to provide you with the type of financial accommodation requested by you. We can consent or refuse to provide any type of financial accommodation for any reason.
- 2.3 Unless we agree otherwise in writing, you may use a *facility* only for the purpose specified in the *Schedule* for that *facility*.
- 2.4 You may only use the *facility* if:
- (a) the *facility* remains current and has not expired;
 - (b) all representations, warranties and declarations made in this *facility agreement* remain correct and are not misleading to the best of your knowledge and belief;
 - (c) you have complied with all special conditions, covenants and undertakings in this *facility agreement*;

- (d) we have received all other information and documentation we have requested;
 - (e) the drawdown on the *facility* will not cause the *facility limit* or *reduced facility limit* to be exceeded; and
 - (f) any *request notice* provided is in a form, and contains information, that meets our requirements.
- 2.5 You cannot use the *facility* if you are in *default* under this *facility agreement*.
- 2.6 In addition to any other clause in this *facility agreement*, you acknowledge that we may delay, block or refuse to make a payment or take any other action where we reasonably consider it necessary to do so in order to avoid a breach of *Australian Sanctions Laws* or *International Sanctions Laws*.

3. Representations and warranties

- 3.1 You represent and warrant (except in relation to matters disclosed to us and accepted by us in writing) that:
- (a) neither you nor, if you are a corporation, any director breaches any law or any obligation to another *person* by signing any *arrangement with us* or entering transactions or performing obligations under them;
 - (b) (if you are a corporation), you have been incorporated in accordance with the laws of the place of your incorporation and you validly exist under those laws;
 - (c) you have power to carry on your business;
 - (d) you have full capacity and power and have obtained all authorisations necessary for you to enter into this *facility agreement*, to comply with your obligations and exercise your rights under it, and allow this *facility agreement* to be enforced;
 - (e) you benefit by entering into this *facility agreement* and the transactions contemplated by it;
 - (f) you are not aware of any circumstances that cause you to believe that the *security* is not in full force and effect;
 - (g) you are not aware of any circumstances which may prevent you from repaying the *total amount owing* in accordance with this *facility agreement*;
 - (h) you do not have any reasonable grounds to suspect that you or any of your *related bodies corporate* are *Insolvent* or likely to become *Insolvent*;
 - (i) you are not in default under this *facility agreement*, any *security interest*, or other agreement or undertaking to which you are a party with us, or any court order which binds you;

- (j) you are not aware of any potential event of default (however described) which by the giving of notice, lapse of time or both would constitute a default under this *facility agreement*, any *security interest* or other agreement with us;
 - (k) there is no pending or threatened legal proceeding affecting you or any of your assets before a court, authority, commission or arbitrator where a decision against you would constitute a *change of credit*;
 - (l) all the information provided to us in connection with this facility agreement and the securities is true and is not misleading to the best of your knowledge and belief;
 - (m) all financial reports, statements and accounts and all other financial information provided to us give a true and fair view of your state of affairs and the results of your operations as at the date of the account, report or information;
 - (n) unless otherwise stated in this facility agreement, you are not signing any arrangement with us as a trustee of any trust or settlement; and
 - (o) you will not do, or omit to do, anything that would cause us to breach *Australian Sanctions Laws* or *International Sanctions Laws*.
- 3.2 You also give the representations and warranties in clause 3.1 of this Part A in respect of any debtor/guarantor and any information provided to us by a debtor/guarantor to the best of your knowledge and belief.
- 3.3 You must tell us whenever anything happens which prevents you from repeating any one or more of the representations and warranties in clauses 3.1 and 3.2 of this Part A and you repeat these representations and warranties before:
- (a) we provide any amount to you under any *arrangement with us*;
 - (b) you acknowledge that another agreement is to be an *arrangement with us*; and
 - (c) you consent to us providing financial accommodation to another *person* which is *guaranteed* by you under an *arrangement with us*.

What you must pay and when

4. What you must pay

- 4.1 You must pay us the *total amount owing* as stipulated in this *facility agreement* including:
- (a) interest (if any) under a *facility* as stipulated in this *facility agreement*;
 - (b) *our fees* and charges as stipulated in this *facility agreement* and the Business Banking Guide to Fees and Charges and any government or third party fees and charges payable in connection with the *facility* or any *security*;
 - (c) *our costs* as stipulated in this *facility agreement* (including clause 8 of this Part A); and
 - (d) any other money that you owe us under this *facility agreement* or any *security*.
- 4.2 In the absence of receipt of funds by any other payment method permitted by this *facility agreement*, you authorise us to automatically debit amounts owing under this *facility agreement* to your *nominated account*, your *facility account* or any other account in your name held with us, or as agreed between you and us. You acknowledge that the *terms* and conditions applicable to your *nominated account* or other account apply to all amounts debited to that account in accordance with this *facility agreement*.
- 4.3 Failure to pay amounts that are debited to your *nominated account* or other account in accordance with this *facility agreement* (for example, where those amounts overdraw your account or exceed your available credit), will also continue to be a liability due and payable by you under this *facility agreement*.
- 4.4 If there are insufficient funds or available credit in the *nominated account* to be debited in accordance with clause 4.2 of this Part A, we may at our discretion either:
- (a) overdraw your account by debiting the amount due; or
 - (b) debit the amount due or any part of it to your *facility account*. If you are in *default* because we have debited your *facility account*, clauses 14 and 15 of this Part A will apply.
- 4.5 If we overdraw your account in the manner described in clause 4.4(a) of this Part A, we may at any time and at our discretion, subsequently reverse any debit (or any part of any debit) made to the account and re-debit that amount to your *facility account* or any other account in your name held with us.
- 4.6 You can contact us for information on current standard fees and charges and any interest rates.

5. Repayments and other payments

- 5.1 In the absence of *default*, you must pay the *facility amount owing* on or before the last day of the *term*. If you *default*, you must pay the *total amount owing* on the date it becomes due for payment under clause 14 of this Part A. Upon it falling due and payable, the *facility amount owing* or the *total amount owing* (as appropriate) may, at our discretion, be debited from your *facility account* to your *nominated account* or retained in your *facility account*.

- 5.2 Where you have a *business term loan* or *commercial rate loan*:
- (a) the facility limit or reduced facility limit is not fully drawn; or
 - (b) early repayments have been made in accordance with clause 9 of Part B or clause 10 of Part D, and this has caused the *balance owing* on the *facility account* to be less than the amount of a *reduction* or *special reduction*, you must pay the *balance owing* on the *facility account* instead. The *facility limit* or *reduced facility limit* will still be reduced by the amount of the *reduction* or *special reduction*.
- 5.3 Payments made after a day ends may not be credited to your account until the next day.
- 5.4 If you are in *default* or you have not specified how an amount is to be applied, we may use any payment we receive under or in accordance with this *facility agreement* to reduce the *balance owing* on any of your accounts in any order we choose. If we do this you must still make any repayments or other payments due under this *facility agreement*. If we are obliged by law or this *facility agreement* to pay the money in a particular way, then we will do so. We do not have to tell you first, however, we will provide you with details of how we have applied any such payments upon request from you.
- 5.5 If Part D applies, *reductions* or *special reductions* on your *commercial rate loan* will be automatically debited to your *nominated account*.
- 5.6 You may make all other *reductions*, *special reductions*, *repayments* or other payments to us in any of the ways we tell you. Unless this *facility agreement* specifically provides otherwise, ways in which you may make these payments include via internet banking. If you choose to make any payments by internet banking these payments will be subject to our Electronic Banking *Terms* and Conditions which are disclosed to you at the time you receive these *General conditions*.
- 5.7 If you make any *reductions*, *special reductions*, *repayments* or other payments by direct debit and we debit the relevant account when there are insufficient funds in it, then the direct debit may be reversed and you will be regarded as not having made the payment.
- 5.8 If this *facility agreement* does not otherwise specify the manner or time of payment of an amount owing under this *facility agreement* you must pay us that amount in the manner and when we ask for it.

6. Establishing accounts and accounting for transactions

- 6.1 You authorise us to open any accounts as required in connection with a *facility* and debit amounts to them in accordance with this *facility agreement*.
- 6.2 We may assign any date we consider reasonably appropriate to a debit or credit of an account (except that, in the case of a debit, the date must not be earlier than the date on which the relevant transaction occurs).
- 6.3 We will credit payments to an account as soon as practicable after we receive them. This is not necessarily the same day that you pay. For example, cheque proceeds will be credited to your account subject to clearance. If a cheque is subsequently dishonoured the payment to which it relates will be treated as not having been paid.
- 6.4 We may subsequently adjust debits and credits to an account, and the *balance owing* on any account, so as to accurately reflect the legal obligations of you and us (for example, because of an error or because a cheque is dishonoured). If we do this, we may make consequential changes (including to interest charges).
- 6.5 If a law requires you to deduct an amount in respect of *taxes* from a payment under an *arrangement with us* with the result that we would not actually receive on the due date the full amount provided for under the *arrangement with us*, then:
- (a) you agree to deduct the amount for the *taxes* (and any further deduction applicable to any further payment due under paragraph (c) below);
 - (b) you agree to pay an amount equal to the amount deducted to the relevant authority in accordance with applicable law and give the original receipts to us; and
 - (c) if the amount deducted is in respect of *accountable taxes*, the amount payable is increased so that, after making the deduction and further deductions applicable to additional amounts payable under this clause, we are entitled to receive (at the time the payment is due) the amount we would have received if no deductions had been required.

Additional amounts you must pay

7. Fees and charges

7.1 You must pay us:

- (a) all *fees* and charges stipulated in the business banking guide to fees and charges, the *facility details* in the circumstances described in the *facility details* and any other changed or new fee or charge notified to you;
- (b) an amount equal to any government charges and duties under this *facility agreement*, calculated in accordance with the relevant legislation. These are payable by you whether or not you are primarily liable for such charges and duties; and
- (c) all third party *fees* and charges payable in connection with your *facility* or any *security*.

7.2 You authorise us to debit these fees and charges to your *nominated account*, *facility account* or to any other account held in your name with us. We may do so on or after the date we pay them or the date they become due or payable by you or us. We do not have to tell you first, however, we will provide you with details of such amounts upon request from you.

8. Costs

8.1 You must pay us for:

- (a) our reasonable *costs*, and any *receiver's* reasonable *costs* and remuneration, in arranging, administering and *terminating* this facility agreement, any *security*, another *arrangement with us* and any transactional documentation in connection with them (including giving and considering consents, variations, discharges and releases, producing title documents, or enforcing, attempting to enforce or taking any other action in connection with our or any *receiver's* rights); and
- (b) any *taxes* payable in connection with this *facility agreement*, any *security* or any other *arrangement with us*.

You must pay us these amounts within *10 business days* after we ask. We can also debit any of these amounts to any of your accounts.

9. Gst

9.1 Unless otherwise expressly stated, all amounts referred to in this *facility agreement* do not include *GST*.

9.2 To the extent (if any) that *GST* is payable in respect of all or any part of a supply made by a party under or in connection with this *facility agreement* (including any indemnity or reimbursement amount), the consideration to be provided for that supply is increased by an amount equal to the *GST* payable by the supplying party.

10. Indemnity

10.1 You indemnify us against, and must pay us on demand for any liability, direct loss or reasonable *costs* we suffer or incur:

- (a) if you *default* under this *facility agreement* (in which case you will also be liable for any loss arising because we require payment of the *total amount owing* on your *facility agreement* earlier than its due date); or

- (b) if you do not pay us the *total amount owing* on your *facility agreement*.

Your liability under this indemnity excludes any liability, loss or *costs* caused by our mistake, error, fraud, negligence or wilful misconduct or the mistake, error, fraud, negligence or wilful misconduct of our employees, officers, contractors or agents, or any *receivers* we appoint.

You have to pay these amounts within *10 business days* after we ask.

11. Break costs

11.1 A *break cost event* is taken to have occurred if:

- (a) you have a fixed business term loan and you break your fixed rate period by:
 - (i) paying the facility amount owing in full;
 - (ii) paying more than your elected repayments plus the extra payment limit in any 12 month period;
 - (iii) changing your repayment type; or
 - (iv) changing your facility type to a variable business term loan;

- (b) you have a variable commercial rate loan or an interest capitalised variable commercial rate loan and you:

- (i) pay the *facility amount owing* in full or in part on a day that is not an *interest payment date* or the last day of the *term*;
- (ii) change your *facility type* on a day that is not an *interest payment date*; or
- (iii) change your *interest period* on a day that is not an *interest payment date*;

- (c) you have a fixed commercial rate loan and you:

- (i) pay the *facility amount owing* in full or in part on any day other than the last day of the *fixed rate period*;
- (ii) change your *facility type* to another *facility type*; or
- (iii) change your *interest period* on any day prior to the expiration of your current *interest period*;

- (d) you are required to make *reductions* or *special reductions* and a payment to be made in accordance with those *reductions* or *special reductions* is not made during a *fixed rate period* or is changed at your request during a *fixed rate period*; or

- (e) you *default* on a *facility* during a *fixed rate period*, and the *total amount owing* has become due for payment.

11.2 We generally arrange our own funding position on the understanding that a *break cost event* will not occur. As a result, that funding position will change and we may make a loss from re-arranging our own funding if a *break cost event* occurs. The estimated amount of that loss will be passed on to you as *break costs*.

11.3 If a *break cost event* occurs and we calculate that *break costs* apply, you may be charged a break cost administration *fee* in addition to the amount of the *break costs*.

11.4 To work out whether you need to pay us *break costs* we will use a formula. This formula is an estimate of our loss as a result of the *break cost event*.

- 11.5 The calculation does not necessarily reflect the actual transactions that we may enter into at the time the *break cost event* occurs. We manage our funding position on a portfolio basis. Therefore there will not necessarily be a specific transaction referable to your *facility*.
- 11.6 In general *terms* you will need to pay us a cost if our current wholesale interest rate for the remaining *fixed rate period* is lower than the original wholesale interest rate.
- 11.7 The wholesale interest rate is the rate at which we *determine* we can get fixed rate funds from the money market on the relevant day. The wholesale interest rate does not include any *margin*.
- Among other things, the formula takes into account:
- the wholesale interest rate that applied on the first day of the *fixed rate period* in which the *break cost event* occurs (the original wholesale interest rate);
 - the wholesale interest rate for the remaining part of the *fixed rate period*, using rates which apply at the time the *break cost event* occurs (the current wholesale interest rate);
 - the amount of *principal* that was paid during your *fixed rate period* or the amount of *principal* outstanding at the time the *break cost event* occurs;
 - the *extra payment limit* (if any) we allow you to prepay before we impose *break costs*;
 - the amount of any unpaid interest, *fees* and charges and any *default* interest which was debited to your accounts in respect of the *facility*;
 - the timing, dollar amount and frequency of any repayments, *reductions* or *special reductions* required under the *facility*; and
 - the remaining *fixed rate period*.
- 11.8 The formula compares the value of the foregone payments at the original wholesale interest rate and at the current wholesale interest rate. The difference between these two values is adjusted to account for the time value of money.
- 11.9 When using this formula, we may assume the wholesale interest rate which applies on the date of calculation is the current rate on the date the *break cost event* occurs.
- 11.10 We will notify you of the amount of *break costs* calculated by us in accordance with the formula. The amount notified will constitute the *break costs* for the relevant *break costs* event. You will need to pay us the break cost administration fee and the *break costs* (if any) when the *break cost event* occurs. If you do not pay these *costs* we may debit them to your *facility account*, *nominated account* or any other account held in your name with us.
- 11.11 We will not pay you a benefit if the wholesale interest rate for the remaining *fixed rate period* is higher than the original wholesale interest rate.
- 11.12 You can find out the amount of any *break costs* before causing a *break cost event* to occur by contacting us. You will not be charged a *break costs* administration fee for this unless a *break cost event* occurs.

Other undertakings

12.5 You must:

- (b) comply with all applicable laws and pay all obligations that if unpaid might result in a lien or claim against any of your assets or the *security property*; and
- (c) maintain all risks insurance over all of your physical assets.

- (b) not deposit money with a *person* in circumstances where the money is not repayable unless you perform obligations (including to pay money) to that *person*; and
- (c) provide written particulars within 5 *business days* of any financial accommodation you obtain from any party other than us.

If you are a corporation, you must ensure that none of your subsidiaries do anything which you are prohibited from doing under this clause, where doing so would affect your ability to meet your obligations under any *arrangement* with us.

Your business

12.7 You must:

- (a) conduct your business (including collecting debts owed to you) in a proper, orderly and efficient manner.
- (b) not, without our consent, cease conducting your business or change the general character of any business you conduct (or threaten to do any of these things).

Further steps

12.8 You agree to do anything we reasonably ask (such as obtaining consents, signing and producing documents, replying to questions, producing receipts and getting documents completed and signed):

- (a) to provide more effective *security* over the *security property*; and
- (b) to provide us with any additional *security interest* we reasonably request (including a *guarantee* or a mortgage of additional property); and
- (c) to enable us to register any *security* (and, if required, renew its registration) and to enable us to obtain the agreed priority for the *security*; and
- (d) to enable us to exercise our rights in connection with this *facility agreement* or an *arrangement* with us; and
- (e) to enable us to register the power of *attorney* in clause 39 or a similar power; and
- (f) to show whether you are complying with this *facility agreement* or an *arrangement* with us.

Default

13. When you are in default

13.1 You are in *default* if:

Monetary defaults

(a) you do not pay on time any amounts due under this *facility agreement* when it becomes payable.

Non-monetary defaults

- (b) you or a guarantor is Insolvent;
- (c) another creditor takes enforcement proceedings against you (or your assets) or a guarantor (or their assets);
- (d) early repayment is required under a separate financing arrangement you have with us, or default based action is taken by us against you or a guarantor, due to an event of default set out in this clause 13.1;
- (e) we believe on reasonable grounds that you, or a guarantor, has not complied with the law or any requirement of a statutory authority which would adversely affect your ability to meet your obligations under this facility agreement or put the security property at risk;
- (f) it becomes unlawful for you or us to continue with this facility agreement or for us to provide or continue to provide any facility including under any Australian sanctions laws or international sanctions laws;
- (g) you or a guarantor give us information or make a representation or warranty to us which is materially incorrect or misleading (including through omission) which has had, or is likely to have a material increase to our risk in relation to this facility;
- (h) you use the facility for a purpose not approved by us;
- (i) your assets or a guarantor's assets are dealt with, or attempted to be dealt with, in breach of the facility agreement, or any security without our consent;
- (j) you or a guarantor do not provide financial information to us which is required by your facility agreement;
- (k) you or a guarantor do not maintain a licence or permit or authorisation necessary to conduct your business;
- (l) you or a guarantor do not maintain insurance required by your facility agreement;
- (m) legal or beneficial ownership, or management control, of you or a guarantor changes without our consent; or
- (n) in the case of a construction finance facility, one or more of the following occurs in respect of the builder of the works before completion:
 - (i) the builder is *insolvent*;
 - (ii) another creditor takes enforcement proceedings against the builder;
 - (iii) steps are taken to deregister the builder;
 - (iv) a person is appointed to investigate or manage the affairs of the builder;
 - (v) the builder does not meet all their monetary obligations on time or within any applicable grace period;
 - (vi) the builder must repay any of their monetary obligations early, and:

- (vii) you do not replace the builder with another builder we accept, within a reasonable period we determine; and

- (viii) the replacement builder refuses to enter into a tripartite deed with you and us in the form we require (if we request this).

13.2 Where a *default* is able to be remedied, we will only act on that *default* after we:

- (i) give you a default notice describing the default; and
- (ii) give you a reasonable time (being not less than 30 days) to remedy the *default*,

except where it is reasonable for us to give you no notice or a shorter notice period in order to manage a material and immediate risk relating to:

- (a) the default;
- (b) your particular circumstances; or
- (c) the value of a security.

13.3 We will only act on a *non-monetary default* if the *default* by its nature is material, or we reasonably consider the event has had, or is likely to have, a material impact on:

- (a) you or a *guarantor's* ability to meet your or their financial obligations (or our ability to assess these);
- (b) our *security* risk (or our ability to assess it); or
- (c) our legal or reputation risk where clauses 13.1(E), 13.1(F), 13.1(G) or 13.1(H) applies.

14. What happens when you are in default

14.1 If you are in *default* and we can act on that *default*, we may do one or more of the following in addition to anything else the law allows us to do:

- (a) require that you repay the *total amount owing* to us immediately;
- (b) require that you pay us the aggregate face value of all *bank guarantees* which have not yet expired (to be maintained as a deposit with us as *security* for any claim made by a *beneficiary*), or give us a written release or surrender documentation (as required by us) signed by the *beneficiary* in a form satisfactory to us;
- (c) sue you for the *total amount owing*;
- (d) enforce this *facility agreement* or any *security*;
- (e) make good any *default* and recover from you our reasonable *costs* of doing so. This includes paying any money that you owe us under this *facility agreement* and recovering that money from you;
- (f) exercise any other rights we have;
- (g) use any money you have in any account held with us towards repaying the *total amount owing* (this is known as "combining accounts");
- (h) refuse to make any undrawn portion of the *facility limit* available to you; and

(i) undertake a margin review in accordance with clause 15.12.

We will give you notice or comply with certain conditions before we require you to immediately pay all amounts you owe us or take *enforcement proceedings* or other action. For example, if a *default* has occurred we will give you 30 days' notice before we require you to immediately pay the *total amount owing* or take *enforcement proceedings* (however, we can give you a shorter notice period or no notice in certain circumstances).

15. Default fees and rates

Business term loans

15.1 If Part B applies and you do not pay us any part of the *balance owing* on your *facility account* when it is due to be paid, you must also pay us the *default fee* described in the *Schedule* or as notified to you from time to time.

Business overdrafts and business lines of credit

15.2 If Part C applies and you exceed the *facility limit* or *reduced facility limit*, you must pay us an amount which is calculated at the *over limit rate*.

15.3 The *over limit rate* is payable on amounts that exceed the *facility limit* or *reduced facility limit*. The amount calculated at the *over limit rate* accrues daily from (and including) the due date up to (but excluding) the date of actual payment and is calculated on actual days elapsed and a year of 365 days (or 366 days in a leap year).

15.4 The *over limit rate* is 3% above the *annual percentage rate* on that day.

15.5 Each month (or any other period we choose) we may add to the *balance owing* on your *facility account*, the amount calculated at the *over limit rate* which has not been paid. You are then liable for interest under this clause on the total amount.

Commercial rate loans

15.6 If Part D applies and you do not pay us any part of the *balance owing* on your *facility account* when it is due to be paid, you must also pay us *default interest* calculated at the *default rate* on that part of the *balance owing* on your *facility account*. Charging interest at the *default rate* is at our discretion. Interest charged at the *default rate* is debited to either of your *nominated account* or your *facility account*, at our discretion.

15.7 If we charge *default interest*, the interest accrues daily from (and including) the due date up to (but excluding) the date of actual payment and is calculated on actual days elapsed and a year of 365 days (or 366 days in a leap year).

15.8 The *default rate* is 4.5% Above the *annual percentage rate* on that day.

15.9 If we charge *default interest*, each month (or any other period we choose) we may add to the overdue amount any *default interest* which has not been paid. You are then liable for interest under this clause on the total amount.

15.10 If you are a farmer and we have provided you with a *facility that is used for the purposes of a farming operation*, we will not charge you interest at a higher rate on overdue amounts (or fees instead of overdue interest) on that *facility* during any period that the land you use for that farming operation is in drought or natural disaster, where the banking code of practice requires this.

However, you may have to tell us about the circumstances before we can do these things or provide you with a refund.

In this clause the words "farmer" or "farming operation" have the meaning given to them in the banking code of practice.

Interest and court orders

15.11 If any amount you must pay under any *arrangement* with us becomes covered by a court order, you must pay interest on that amount as a separate obligation. The interest accrues from (and including) the date we first ask you for the amount until (but excluding) the date that amount is paid. This obligation is not affected by the court order. The rate is the rate in clause 15.4 Or 15.8 of this Part A or the rate in the court order (whichever is higher). You must pay interest under this clause on demand from us.

Margin reviews

15.12 If you are in *default* by reason of any of the events described in clauses 13.1(b) to (n) and do not remedy the *default* within any remedy period we notify you, we may, in exercising any of our other rights under clause 14 of this Part A, review and increase the *margin* or introduce a new *margin* (even during a *fixed rate period*). The review and increase in the *margin* is at our discretion. However we may not increase the *margin* by more than 4.5% Per annum.

15.13 If we have reviewed the *margin* in accordance with clause 15.12 and you subsequently remedy the *default* to our satisfaction, we may, at our discretion, again review and decrease the *margin* or decrease or remove any new *margin*.

Other matters

16. Reducing or cancelling the facility limit

- 16.1 You may ask us to reduce or cancel the *facility limit* at any time by:
- (a) if the facility is a business term loan, commercial rate loan or bank guarantee facility – providing us with a request notice; or
 - (b) if the facility is a business overdraft or business line of credit – providing us with written notice.
- 16.2 If you or we (acting on notice from you) reduce a *facility limit*, you must immediately:
- (a) if you have a business term loan, business overdraft, business line of credit or commercial rate loan – pay us the amount (if any) by which the facility amount owing exceeds the new facility limit; and
 - (b) if you have a bank guarantee facility – pay us the aggregate value of all bank guarantees which have not yet expired which exceed the new facility limit (to be maintained as a deposit with us as security for any claim made by a beneficiary) or give us a written release or surrender documentation (as required by us) signed by the beneficiary in a form satisfactory to us, for the amount which exceeds the new facility limit
- 16.3 If you or we (acting on a notice from you) cancel a *facility limit*, you must immediately:
- (a) if you have a business term loan, business overdraft, business line of credit or commercial rate loan – pay us the facility amount owing in full; and
 - (b) if you have a bank guarantee facility – pay us the aggregate face value of all bank guarantees which have not yet expired (to be maintained as a deposit with us as security for any claim made by a beneficiary) or give us a written release or surrender documentation (as required by us), signed by the beneficiary in a form satisfactory to us, in respect of all bank guarantees which have not yet expired.
- 16.4 If you have a business overdraft or a business line of credit, then we may on 30 days written notice to you cancel your *facility* and demand that you pay us the facility amount owing in full.

17. Facility reviews and changes to your margin

- 17.1 We may review your *facility* annually or more frequently if set out in the *Facility details* or at any time if there is or may be, in our opinion acting reasonably, a *change of credit*. A review fee may be payable when we conduct a review.
- 17.2 You must comply with all our reasonable requirements in relation to any review, including by:
- (a) providing us with all financial reports, statements and accounts and all other financial information we reasonably require;
 - (b) ensuring that any valuer we nominate is granted access to any *security property* to enable them to conduct a valuation of the *security property*; and
 - (c) pay any fees or charges associated with the review (in accordance with clause 7.1), including the *costs* of a valuation as required under clause 17.2(B).
- 17.3 You must comply with these requirements within any reasonable time period we require.
- 17.4 Following a review under clause 17.1, We may:
- (a) take any action specified in the *Facility details*; and
 - (b) if there has been a *change of credit*, we may by 30 days' prior written notice do either or both of the following (taking into account the *change of credit*):
 - (i) increase your *margin* by up to 4.5% Per annum; and
 - (ii) restructure your facilities or change their *terms* and conditions.
- 17.5 If you do not wish to participate in a review, or if you do not agree with the outcome of a review, you may *terminate* this *facility agreement* by giving us notice and paying the *total amount owing*.
- 17.6 If you give us notice under clause 17.5 We will not charge you any fees to *terminate* this *facility agreement* or to discharge your *security* except our reasonable third party costs incurred in discharging any *security* and if the interest rate has been fixed you must still pay any *break costs* in accordance with clause 11.

18. Expired facilities

- 18.1 If we continue to make a *facility* available to you after the end of the *term*, and this *facility agreement* has not been extended, amended or replaced, then the *terms* of this *facility agreement* will continue to apply to the *facility* until we notify you otherwise.
- 18.2 Clause 18.1 of this Part A shall not be construed as a waiver of any event of *default* or of our rights under this *facility agreement* or as any agreement or undertaking to grant an extension.

19. Additional requirements for progressive draw facilities

- 19.1 You may draw down a *progressive draw facility* in more than one sum.
- 19.2 We need not make the initial drawdown under the *progressive draw facility* unless, in addition to those requirements in clause 1 of this Part A, you have also contributed any money we have required you to contribute.

20. Additional requirements for construction finance facilities

- 20.1 If your *construction finance facility* is a *progressive draw facility* then the requirements in clause 19 also apply.

Requirements before the initial drawdown under a construction finance facility

- 20.2 We need not make the initial drawdown under the *construction finance facility* unless we have received to our satisfaction or our consultant has received and approved the following documents:
- (a) a copy of a fully signed fixed price construction contract with a building contractor acceptable to us;
 - (b) a copy of the construction plans approved by the local authority;
 - (c) A copy of a full set of the specifications signed by you and your builder;
 - (d) a copy of all relevant approvals (including a set of council approved plans and specifications), evidence that the *terms* of the approvals have been met and any other reports and documents appropriate to the *works*;
 - (e) evidence that the builder and other contractors and consultants are registered, hold all necessary licences and have contractors all risks insurance (including workers compensation related insurance) in an amount acceptable to us;
 - (f) evidence of an adequate and appropriate insurance policy in your name for the period of construction for the contract price of the construction work and evidence that the policy notes our interest;
 - (g) where required by us, a surveyor's certificate and/or a consulting engineer's certificate; and
 - (h) the projected construction *costs* and cashflows.

General requirements for a construction finance facility

- 20.3 If you have a construction finance facility:
- (a) you must start construction without unreasonable delay and ensure that all *works* on the *development site* are carried out only in accordance with plans and specifications approved by us and in accordance with all laws, requirements of authorities and Australian standards;
 - (b) you alone are responsible for ensuring that all plans are followed and that materials and workmanship are satisfactory even if we also monitor the *works*. We are not liable for the quality of, or any delays in, the *works*;

- (c) you must not vary the construction contract without our prior written consent, unless we agree otherwise;
- (d) you must not have any changes made to the council approved plans, specifications and relevant council approvals without our prior written consent, unless we agree otherwise. You must ask for our consent in writing, and pay our reasonable *costs* and expenses of those changes;
- (e) you must comply with our directions about the plans and specifications or about the *works*;
- (f) notwithstanding clause 20.4 of this Part A, you are responsible for any payments made to your builder or other contractors; and
- (g) you must tell us in writing if you are not satisfied with the *works*. If you do not tell us otherwise, we assume that you are satisfied with the *works*.

Drawdown under a construction finance facility

- 20.4 We pay money drawn down for *works* to you or to your builder or other contractors as you direct.
- 20.5 You agree that you cannot make any claim against us on the basis that we have paid money for *works* to your builder or other contractors as directed by you.
- 20.6 We may only allow a drawdown:
- (a) if you have given us written particulars of the *works* completed;
 - (b) if the requirements in clauses 1,19 and 20.2 of this Part A are satisfied at the time the drawdown is requested;
 - (c) if we are satisfied with any report obtained from our consultant;
 - (d) if we are satisfied with the inspection of the stage of *works* including any receipts requested by us for materials and labour; and
 - (e) in an amount *determined* by us. If our *determination* is less than the amount you ask for, then unless we agree otherwise you must separately arrange with the builder or other contractors for the balance to be paid.
- 20.7 The fact that we allow any drawdown shall not be construed as proof or admission that the *works* or any part of the *works* have been undertaken in accordance with this *facility agreement*.

Appointment of consultants

- 20.8 We may appoint a consultant (such as a valuer, quantity surveyor or engineer) to provide reports to us on the progress of the *works*, to examine documents related to the *works* and to act on our behalf under this *facility agreement*.

Inspections under a construction finance facility

- 20.9 We may require an inspection of the *works* at any time acting reasonably. The inspection may be conducted by us or a consultant that we nominate. If we monitor *works* (such as inspecting or accepting any part of the *works* construction or approving plans), we will be doing so for our own purposes and does not mean the *works* are reasonably satisfactory. We do not owe you any duty to exercise care or skill in doing so and we need not tell you the results of any inspection. You will pay our reasonable *costs* in respect of these inspections.

Requirements before the final drawdown under a construction finance facility

- 20.10 We need not allow the final drawdown unless the following additional requirements are all satisfied:
- (a) our consultant has inspected the site and certified that the *works* have been satisfactorily completed in accordance with the council approved plans and specifications provided to us;
 - (b) you provide us with a certificate of completion or similar certificate in relation to the completed *works*, if we have requested such a certificate;
 - (c) we are satisfied with the cost of the *works*;
 - (d) you have paid to your builder or other contractor any money owing to the builder or other contractor which exceeds the available balance of the *facility limit*;
 - (e) you tell us in writing that you are satisfied with the *works*; and
 - (f) you have provided us with confirmation that you have adequate and appropriate insurance for the *works* for its full insurable value and the policy notes our interest.

Default under a construction finance facility

- 20.11 In addition to what can happen when you are in *default* as set out in clause 14 of this Part A, if you are in *default* under a *construction finance facility* we may complete the *works* in any way we consider appropriate. We do not have to. We may change plans and specifications. We may employ any consultants or builders we consider appropriate and you must pay our reasonable *costs* in doing any of the things referred to in this clause.

General

21. Dealing with rights under this facility agreement

- 21.1 We may assign or otherwise deal with our rights under this *facility agreement* in any way we consider appropriate, acting reasonably, provided that such assignment or dealing does not in our reasonable opinion materially prejudice your rights or obligations under this *facility agreement*. If we do this, we do not have to tell you and you may not claim against any assignee (or any other *person* who has an interest in this *facility agreement*) any right of set-off or other rights you have against us.
- 21.2 If we do assign or otherwise deal with our rights under this *facility agreement*, you agree that you are still liable for the *total amount owing* under this *facility agreement*.
- 21.3 Your rights are *personal* to you and may not be assigned without our written consent.

22. Disclosure of information

- 22.1 Information you provide to us may be disclosed:

 - (b) if required by any security exchange or if allowed or required by law;

 - (d) to our officers, authorised agents and employees, to *receivers* and to legal advisers, auditors and other advisers;

 - (i) the approval or non-approval of the *facility* application;
 - (ii) the financial particulars relating to your accounts held with us;
 - (iii) any *drawdown date* and the amount of the drawdown;

 - (v) the end of month balances on your accounts held with us;
 - (vi) your account names and numbers;

 - (viii) the details of any *default*; and
 - (ix) any other information regarding the status of your accounts held with us that might affect the payment of the commission;

- (f) to any of our related bodies corporate;
 - (g) where we think it is necessary to protect our position and interests;
 - (h) if the information is generally and publicly available;
 - (i) to any other *debtor/guarantor*; or
 - (j) to any *person* for the purposes of the securitisation of this *facility agreement* and any *security*.
- 22.2 Without limiting the generality of clause 22.1 of this Part A, you consent to us providing to any *debtor/guarantor*:
- (a) a copy or summary of this *facility agreement*;

 - (c) a copy of any formal demand that is or has been sent to you;

- 22.3 We and you agree not to disclose any information of the kind referred to in section 275(1) of the *PPSA* that is not publicly available. You agree not to authorise the disclosure of any information as contemplated under section 275(7)(c) of the *PPSA*.
- 22.4 Clause 22.3 does not prevent disclosure of any information by us:
- (a) permitted under clause 22.1 or 22.2 or under any *arrangement* with us; or
 - (b) where required under section 275 of the *PPSA* because of the operation of section 275(7) of the *PPSA*.

23. Consents

- 23.1 Whenever a provision of this *facility agreement* specifies that:
- (a) our consent or approval is required; or
 - (b) that we may direct or require you to do or not do some act or thing; or
 - (c) that we will *determine* whether an event has occurred or not occurred,

Until we tell you otherwise, you must deal with that manager in relation to all matters arising in connection with this *facility agreement* and any *securities*.

25. Currency conversions

- 25.1 You must make each payment in the currency in which it is due. Unless stated otherwise in this *facility agreement*, payments are due in the currency in which we lend it to you or, if we incur obligations at your request, in the currency in which we are obliged to satisfy those obligations.
- 25.2 If we receive an amount in a currency other than that in which it is due:
- we may convert the amount received into the due currency (to do this it might be necessary to convert through a third currency) on the day and at such rates as we consider appropriate taking into account market exchange rates available to us. We may deduct our usual costs in connection with the conversion; and
 - you satisfy your obligation to pay in the due currency only to the extent of the amount of the due currency obtained from the conversion after deducting the costs of the conversion.

26. Setting off money

- 26.1 Except to the extent you have a right of set-off granted by law which we cannot exclude by agreement, you must pay the *total amount owing* in full without setting off amounts you believe we owe you and without counterclaiming amounts from us. This does not prevent you making a separate claim against us for amounts you believe we owe you.
- 26.2 We may set off against the *total amount owing* any money we owe you.

27. Multiple accounts

- 27.1 If there is a monetary *default* we can use any money in any of your accounts held with us to pay any amount that is due and payable but has not been paid.
- 27.2 We do not have to do so, nor do we have to tell you before we do. However, we will provide you with details of such amounts if you request.

 - we have tried to exercise the rights before (in whole or in part);
 - we could have exercised those or other rights before but did not;
 - we have exercised other rights before; or
 - we hold other *security interests* for payment of the *total amount owing*.
- 30.3 If we do not exercise a right or remedy fully or at a given time, we can still exercise it later.
- 30.4 We are not liable for loss caused by the exercise or attempted exercise of, failure to exercise, or delay in exercising, a right or remedy except for any loss to the extent caused by our mistake, error, fraud, negligence or wilful misconduct or the mistake, error, fraud, negligence or wilful misconduct of our employees, officers, contractors or agents, or any *receivers* we appoint.
- 30.5 Our rights and remedies may be exercised by any of our directors, any *authorised officer* or any of our employees.
- 30.6 Our rights and remedies under this *facility agreement*:
- are in addition to other rights and remedies given by law independently of this *facility agreement* or by any *security*; and
 - may be exercised even if this involves a conflict of duty or we have a *personal* interest in their exercise.

31. Administrative matters

You agree that we may fill in any blanks in this *facility agreement* or in any related document in order to complete the document and reflect what is intended or agreed between you and us.

32. Changes

- 32.2 We can make a change to this *facility agreement* if:
- (a) we reasonably consider you will benefit from it;
 - (b) it is administrative or minor or corrects a mistake or omission;
 - (c) it reflects changes to our products, business or systems;
 - (d) it is made for *security* reasons or because of the requirements of any law;
 - (e) the change is reasonably made on a product or like customer basis (for example, to reflect current products or industry or market conditions);
 - (f) the change is necessary to facilitate moving you from a discontinued product to a current product where the features of that product are comparable to the discontinued product and no less favourable to you.
- 32.3 We may, acting reasonably and to the extent reasonably necessary to protect our legitimate business interests, change any of the following at any time without your consent:
- (a) the *margin* in accordance with clauses 15.12, 15.13 Or 17.4;
 - (b) the *default rate* provided it does not any time exceed the rate specified in the *Schedule* or clauses 15.4 Or 15.8;
 - (c) the *interest period* and the *interest payment date* provided the adjustments are of a kind referred to in clause 9.5 of Part D;
 - (d) any matter relating to the administration of your *facility* (including *business day* conventions, timing of debits and credits and methods of calculation) where the change is not unfavourable to you;
 - (e) the interest rate (provided that such change does not take effect during an *interest period*);
 - (f) subject to clause 32.5:
 - (i) the Business Banking Guide to Fees and Charges;
 - (ii) the Business Lending Supplementary *Terms* and Conditions as specified in and in accordance with those *terms*;
 - (iii) any other *terms* and conditions of the *nominated account* or *facility account* in accordance with the *terms* and conditions for those accounts; and
 - (iv) the amount and type of fees and charges and when they are payable (including by imposing new fees and charges or changing the method of calculation of a fee or a charge) provided that the variation is consistent with changes we make to our contracts with customers in similar circumstances and who have the same type of *facility* as you (for example, we may change or introduce a new fee or charge due to increases in our *costs*, regulatory change or changes in market conditions);
 - (v) any clause where the change is required by or necessary to comply with the law; or
 - (vi) any clause where the change is not unfavourable to your rights or obligations under this *facility agreement*.

If you are not satisfied with any change made by us under this clause 32.3 (Other than sub-clause e., Where the interest rate has not been fixed), you can choose to *terminate* this *facility agreement* by giving us notice and repaying the *total* amount owing. We will not charge you any fees to *terminate* this *facility agreement* or discharge your *security* except our reasonable third party costs incurred in discharging any *security* and if the interest rate has been fixed then you must still pay any *break costs* in accordance with clause 11.

- 32.4 We will tell you about changes as soon as reasonably possible (which may be before or after the change is made) or, where the change is unfavourable to you, by providing you with 30 days' notice or such longer period as may be required under the law or any code to which we subscribe (including the Banking Code of Practice).
- (a) however, if we change an interest rate, we will tell you no later than the date of the change, unless we are not able to because the interest rate is calculated according to a money market rate or some other external rate, or a rate otherwise designated as a variable rate.
 - (b) where there is a change to, or introduction of, a government fee or charge, we will tell you reasonably promptly after the government notifies us (however, we do not have to tell you if the government publicises the change to, or introduction of, the fee or charge).
 - (c) we can also give you a shorter notice period (or no notice) of an unfavourable change if we believe doing so is necessary for us to avoid, or to reduce, a material increase in our credit risk or our loss.
- 32.5 We will tell you of changes by writing to you, advertising in a newspaper, placing a notice on or with a statement of account or other material we send you, or in any other way permitted by law or any code to which we subscribe.

 - (b) we agree at our absolute discretion to your request to change your *facility type*.
- 8.4 If we agree to change your *facility type* from a *variable business term loan* to a *fixed business term loan* you may be required to pay us a switching fee.
- 8.5 The *fixed rate period* commences on the *variation date*.
- 8.6 The *annual percentage rate* which applies for the *fixed rate period* is the fixed rate that we notify you of at the start of the *fixed rate period*. A change in the *annual percentage rate* may be reflected in a change to the amount of your repayments. We will notify you of your new repayments as a result of any change to your *annual percentage rate*.

Switching - fixed business term loan to variable business term loan

- 8.7 You may break your *fixed rate period* to switch your *facility* from a *fixed business term loan* to a *variable business term loan*. However, you may have to pay *break costs* in accordance with clause 11 of Part A.
- 8.8 To switch your *facility* from a *fixed business term loan* to a *variable business term loan* you must provide us with a *request notice*.
- 8.9 If we agree to change your *facility type* from a *fixed business term loan* to a *variable business term loan* you may be required to pay us a switching fee.
- 8.10 The *variable rate period* commences on the *variation date*.
- 8.11 The *annual percentage rate* which applies for the *variable rate period* is the *base rate* current at that time plus or less the *margin* we notify you of at the start of the variable rate period. A change in the *annual percentage rate* may be reflected in a change to the amount of your repayments. We will notify you of your new repayments as a result of any change to your *annual percentage rate*.

Switching - generally

- 8.12 Any change to your *facility type* is separately agreed between us and you as a change to the *terms* of this *facility agreement*.
- 8.13 If you have switched your *facility types*, these General conditions as they relate to the *facility type* you have switched to will apply on and from the *variation date*.

9. Repaying early

Variable business term loan

- 9.1 If you have a *variable business term loan*, you may repay early as much as you choose, at any time, without notifying us in advance. You can do this by:
- (a) paying one or more lump sums; or
 - (b) increasing the amount of your repayment.

- 9.2 Once you make an early repayment, you may only *redraw* any amount repaid early under the *redraw* provisions in clause 10 of this Part B.

Fixed business term loan

- 9.3 If you have a *fixed business term loan*, to avoid incurring *break costs* you may only repay early:
- (a) at the end of the *fixed rate period*; or
 - (b) any amount, provided that the extra repayments which are in addition to your *elected repayments* are less than the *extra payment limit*.

If you repay early in any other circumstances *break costs* may apply (see clause 11 of Part A).

- 9.4 During a *fixed rate period* you may not *redraw* any amount repaid early and clause 10 of this Part B does not apply during a *fixed rate period*.

- 9.5 Upon:
- (a) you switching your *facility* to a *variable business term loan* (in accordance with clause 8.8 of this Part B); or
 - (b) automatic conversion of your *facility* to a *variable business term loan* (in accordance with clause 6.8 of this Part B),
- you may, subject to clause 10.10 of this Part B, *redraw* any amounts that you have repaid early.

Effect of partial early repayment

- 9.6 If you repay part of a *facility limit* early, your repayment does not change, (unless we specifically agree to your request for a change) but it may mean you repay your *business term loan* quicker.
- 9.7 You must continue to make any *reductions* or *special reductions* on the *reduction* date or *special reduction date* (as appropriate), despite any payment made in accordance with this clause 9.

10. Redrawing amounts

- 10.1 This clause only applies to a *variable business term loan*. This clause does not apply to a *fixed business term loan*.
- 10.2 Subject to clause 10.1 of this Part B, if you have repaid amounts early under this *facility* (for example, if you have made a one-off lump sum repayment, repayments more frequently than required or regular repayments of a greater amount than your elected repayments), you may ask us to allow you to *redraw* any amount repaid early. Any amount *redrawn* becomes part of the *balance owing* on your *facility account*.
- 10.3 You may only ask to *redraw* up to the amount which results in the *balance owing* on your *facility account* being not more than the amount which would be owing if you had paid all of your *elected repayments* on time and as required by this *facility*. If for whatever reason the amount you *redraw* exceeds this amount, you must repay the balance immediately.
- 10.4 You may request a *redraw* by providing us with a *request notice* at least 5 clear *business days* before you require the *redraw* amount.
- 10.5 *Redrawn* money will only be made available to you by deposit into your nominated account.
- 10.6 You may only *redraw* an amount in accordance with this clause if you meet the following criteria:
- (a) you have not dealt with any *security* without our consent;
 - (b) you are not, and any *debtor/guarantor* is not, in *default* under this *facility agreement* or any *security*;
 - (c) you are not relying on any statement or representation by us (including our employees) or our agents relating to the taxation effects of making the *redraw*. You should obtain your own tax advice.;
 - (d) you have not provided subsequent *security interests* over the *security property* to other parties;
 - (e) the requested *redraw* will not exceed the *facility limit*;
 - (f) any *security property* has not, in our opinion, been diminished in value; and

- (g) the *term* of the *facility* has not expired.

Each time you *redraw* an amount you declare these things to be true. If, for whatever reason, you do not meet the *redraw* criteria and a *redraw* is made, you must immediately repay upon demand the *redraw*.

- 10.7 We may impose fees and charges in connection with a *redraw* in accordance with this *facility agreement* and the Business Banking Guide to Fees and Charges.
- 10.8 You can find out what the minimum *redraw* amount is and how much you have available for *redraw* by calling us or asking at any branch.
- 10.9 If a *change of credit* occurs or where it is otherwise reasonably necessary to protect our legitimate business interests, we can end your rights to *redraw* under this *facility*. We do not have to tell you first, however, we will tell you as soon as reasonably possible afterwards.
- 10.10 If there is more than one of you, then any of you or an *authorised officer* of any one of you may request a *redraw* of any amount available for *redraw*. If we allow the *redraw* we need not consult any other of you.
- 10.11 You cannot *redraw* the amount of any *reduction* or *special reduction*. However, you can use amounts available for *redraw* to pay a *reduction* or *special reduction* in full or part. To do this you must provide us with a *request notice* in accordance with clause 10.4 of this Part B, within 5 *business days* to enable the *redraw* to be deposited into your *facility account* on or before the *reduction* date or *special reduction date*.

PART C: Business Overdraft and Business Line of Credit

THIS PART C APPLIES TO ALL *BUSINESS OVERDRAFTS* AND *BUSINESS LINES OF CREDIT* AND SHOULD BE READ TOGETHER WITH:

- PART A OF THE FACILITY GENERAL CONDITIONS
- THE *FACILITY DETAILS*
- THE *BUSINESS OVERDRAFT FACILITY SCHEDULE(S)* OR THE BUSINESS LINES OF CREDIT *FACILITY SCHEDULE(S)*; AND
- IF YOUR *FACILITY DETAILS* SPECIFY THAT YOUR *FACILITY* IS A *LARGE BUSINESS TRANSACTION*, PART F OF THE FACILITY GENERAL CONDITIONS.

1. What must happen before you can use the facility

You must give us a minimum of 3 clear *business days* notice before your first drawdown on the *facility limit*.

2. The facility limit

- 2.1 The maximum credit available to you at any time is the *facility limit* or *reduced facility limit* less the *balance owing* on your *facility account*.
- 2.2 You must not allow your *facility limit* or *reduced facility limit* to be exceeded. If the *facility limit* or *reduced facility limit* is exceeded, you must:
- (a) immediately repay the excess and any applicable fees and charges;
 - (b) pay us the *over limit rate* on the excess.
- 2.3 To avoid exceeding your *facility limit* or *reduced facility limit* you may want to make formal *arrangements* with us for a temporary increase on your *facility limit* or *reduced facility limit* for a limited period. If you make formal *arrangements* with us, you must repay the excess by which the *balance owing* on your *facility account* exceeds the *facility limit* or *reduced facility limit* within the time notified to you.

3. Repayments

- 3.1 You can choose when repayments are made as long as the *balance owing* on your *facility account* does not exceed the *facility limit* or *reduced facility limit* at any time (unless we have given prior approval to exceed the *facility limit* or *reduced facility limit*). The minimum amount of each repayment is the amount which will ensure that the *balance owing* on your *facility account* does not exceed the *facility limit* or *reduced facility limit* at any time.
- 3.2 You may choose to repay the *facility amount owing* in full or in Part At any time.
- 3.3 Despite any other provision in this *facility agreement*, you acknowledge that we may demand immediate payment of the *facility amount owing* at any time and not only when a particular event occurs or does not occur.

4. Annual percentage rate

The *annual percentage rate* that applies to your *facility* is a variable rate. This means that:

- (a) we can change the *annual percentage rate* applying to your *facility* at any time;
- (b) the *annual percentage rates* stipulated in the *business overdraft facility* and the *business line of credit facility schedule* is only a guide. The actual *annual percentage rate* applying to your *facility* may change before or after the *facility establishment date*; and
- (c) we will tell you of a change in the *annual percentage rate* applying to your *facility* in accordance with this *facility agreement*.

5. Interest

- 5.1 Interest is accrued daily and is payable by you on the *facility amount owing* but debited to your *facility account* on the last day of each month. It will also be debited when the *facility amount owing* is to be repaid.
- 5.2 Interest charges for each day are calculated by applying the daily percentage rate for your *facility* to the *balance owing* on your *facility account* at the end of that day. The daily percentage rate is the *annual percentage rate* applying to your *facility* for that day divided by 365.

PART D:

Commercial Rate Loan

THIS PART D APPLIES TO ALL *COMMERCIAL RATE LOANS*. IT SHOULD BE READ TOGETHER WITH:

- PART A OF THE FACILITY GENERAL CONDITIONS

1. What must happen before you can use this facility

- 1.1 You must give us a minimum of 3 clear *business days*' notice before any drawdown on the *facility limit*, unless we agree otherwise.
- 1.2 You must pay any amounts necessary to ensure that the *facility amount owing* does not exceed the *facility limit* or *reduced facility limit* at any time.
- 1.3 We may not permit you to use the *facility* if the *interest period* will extend beyond the *term*.
- 1.4 Unless we agree otherwise, drawdowns under the *facility* will be credited to your *nominated account*.
- 1.5 We will only lend to you if the *initial drawdown date* is within 60 days of the *facility establishment date*. If the *initial drawdown date* is after the expiration of this 60 day period, we may still lend you the *facility limit* but we may change the *terms* on which we do. Alternatively, we may treat this *facility agreement* as ended. If we do so we will notify you, and we may keep any fees that you have paid us.

2. Payments

- 2.1 You must maintain a *nominated account*. Any amounts payable by us to you under this *facility* will be credited to your *nominated account*.
- 2.2 You must ensure that there are sufficient funds in your *nominated account* to pay all amounts payable by you under this *facility*.
- 2.3 You authorise us to debit all amounts payable by you under this *facility* to your *nominated account*.

3. Interest

- 3.1 Unless we agree otherwise, interest will be payable:
 - (a) in respect of a variable commercial rate loan, an interest capitalised variable commercial rate loan or a fixed commercial rate loan – in arrears; or
 - (b) in respect of an interest prepaid commercial rate loan – in advance.
- 3.2 Interest is accrued daily and is payable by you on the facility amount owing but debited to your facility account (for an interest capitalised variable commercial rate loan) or your nominated account (for all other commercial rate loans) on each interest payment date. It will also be debited when the facility amount owing is to be repaid in full.
- 3.3 Interest charges for each day are calculated by applying the daily percentage rate for your facility to the balance owing on your facility account at the end of that day. The daily percentage rate is the annual percentage rate applying to your commercial rate loan for that day divided by 365.
- 3.4 Interest is also debited to you when you switch:
 - (a) your *interest period* in accordance with clause 9.6 Or 9.7 of this Part D; or
 - (b) your *facility type* in accordance with clause 8 of this Part D.

4. Variable commercial rate loan

- 4.1 A variable commercial rate loan may be drawn down in one lump sum or as a progressive draw facility.
- 4.2 The annual percentage rate for the first interest period under a variable commercial rate loan is determined as the sum of the margin and the commercial rate loan base rate on the initial drawdown date. The annual percentage rate for each successive interest period is determined as the sum of the margin and the commercial rate loan base rate on the first day of that successive interest period. Although the base rate is reset at the start of each interest period, the rate remains constant for the duration of that interest period. The margin may be varied by us (even during an interest period) pursuant to clause 15 or clause 17 of Part A.
- 4.3 If you have switched your facility type, the annual percentage rate for the first interest period on or following the variation date is determined in accordance with clause 8.5 of this Part D.

5. Fixed commercial rate loan

- 5.1 A *fixed commercial rate loan* must be drawn down in one lump sum.
- 5.2 The *annual percentage rate* for the first *interest period* is determined as the sum of the *margin* and the *commercial rate loan base rate* on the *initial drawdown date*. The base rate remains constant for the duration of the *interest period*. The *margin* may be varied by us (even during an *interest period*) pursuant to clause 15 or clause 17 of Part A.
- 5.3 At the end of the first *interest period* you may elect to maintain your *fixed commercial rate loan* by providing us with a *request notice*, at least 5 *business days* prior to the end of the *interest period*, requesting a further interest period not exceeding the remaining *term* of the *facility*. You may continue to make an election in accordance with this clause in each subsequent *interest period* until the *term* expires. The *annual percentage rate* for each *interest period* is determined as the sum of the *margin* and the *commercial rate loan base rate* on the first day of that *interest period*. Although the *annual percentage rate* is reset at the start of each *interest period*, the rate remains constant for the duration of that *interest period*.
- 5.4 You may only maintain your *fixed commercial rate loan* if:
 - (a) we are offering this *facility type* at the time you request it; and
 - (b) we agree at our absolute discretion to your request.
- 5.5 If you fail to make an election in accordance with clause 5.3 of this Part D or we do not agree to your request, at the end of the *interest period*, your *facility* will automatically convert from a *fixed commercial rate loan* to a *variable commercial rate loan* with an *interest period* of 1 month. These *General conditions*, as they relate to a *variable commercial rate loan* will then apply. You may only switch back to a *fixed commercial rate loan* in accordance with clause 8 of this Part D.
- 5.6 If you have switched your *facility type*, the *annual percentage rate* for the first *interest period* on or following the *variation date* is determined in accordance with clause 8.5 of this Part D.

6. Interest prepaid commercial rate loan

- 6.1 An *interest prepaid commercial rate loan* must be drawn down in one lump sum.
- 6.2 The *annual percentage rate* for the first *interest period* is determined as the sum of the *margin* and the *commercial rate loan base rate* on the *initial drawdown date*. The *annual percentage rate* remains constant for the duration of the *interest period*.
- 6.3 We will debit your *nominated account* with the interest prepayment on each *interest payment date*. To ensure that you have sufficient funds or sufficient available credit in your *nominated account* for the interest prepayment to be debited you may ask us on the *interest payment date* and we will tell you how much the *interest prepayment* will be. We can also provide an estimate of the interest prepayment before the *interest payment date* but this amount is subject to change.
- 6.4 You are not required to make any other principal or interest payments during an *interest period*.
- 6.5 At the end of the first *interest period*, you may elect to continue to prepay your facility by providing us with a *request notice* at least 5 *business days* prior to the end of the *interest period*. You may continue to make an election in accordance with this clause in each subsequent *interest period* until the *term* expires. The *annual percentage rate* for each successive *interest period* is determined as the sum of the *margin* and the *commercial rate loan base rate* on the first day of that successive *interest period*.
- 6.6 You may only continue to prepay your *facility* if:
- (a) we are offering this *facility type* at the time you request it; and
 - (b) we agree at our absolute discretion to your request.
- 6.7 If we agree to your request, we will debit your *nominated account* in accordance with clause 6.3 of this Part D.
- 6.8 If you fail to make an election in accordance with clause 6.5 of this Part D or we do not agree to your request, at the end of the *interest period* your *facility* will automatically convert from an *interest prepaid commercial rate loan* to a *variable commercial rate loan* with an *interest period* of 1 month. These *General conditions*, as they relate to a *variable commercial rate loan* will then apply. You may only switch back to an *interest prepaid commercial rate loan* in accordance with clause 8 of this Part D.
- 6.9 If you have switched your *facility type*, the *annual percentage rate* for the first *interest period* on or following the *variation date* is determined in accordance with clause 8.5 of this Part D.

7. Interest capitalised variable commercial rate loan

- 7.1 An interest capitalised variable commercial rate loan may be drawn down in one lump sum or as a progressive draw facility.
- 7.2 The *annual percentage rate* for the first interest period under an interest capitalised variable commercial rate loan is determined as the sum of the *margin* and the *commercial rate loan base rate* on the initial drawdown date. The annual

percentage rate for each successive interest period is determined as the sum of the *margin* and the *commercial rate loan base rate* on the first day of that successive interest period. Although the base rate is reset at the start of each interest period, the rate remains constant for the duration of each interest period.

- 7.3 The facility limit includes the interest capitalisation component (specified in the Schedule) for interest accrued under the facility. Unless we agree otherwise, you must only use the interest capitalisation component for interest accrued under the facility.
- 7.4 Until the interest capitalisation component is fully drawn, interest payable for each day is debited to the facility account on each interest payment date. Once the interest capitalisation component is fully drawn your facility will convert from an interest capitalised variable commercial rate loan to a variable commercial rate loan with the same interest period. These *General conditions*, as they relate to a variable commercial rate loan will then apply, including clause 4.2 dealing with annual percentage rates. We do not have to notify you when your facility converts to a variable commercial rate loan. If you ask us we will tell you how much of the interest capitalisation component has been drawn at any time.
- 7.5 If you have switched your facility type, the *annual percentage rate* for the first interest period on or following the *variation date* is determined in accordance with clause 8.5 of this Part D.

8. Switching facility types

- 8.1 You may ask us to change the *facility type* (and consequently the *interest period*) for your *facility* at any time by providing us with a *request notice*.
- 8.2 You may only change your *facility type* if
- (a) we are offering the *facility type* you request at the time of your request; and
 - (b) we agree at our absolute discretion to your request to change your *facility type*.
- 8.3 If we agree to change your *facility type*, you may be required to pay us a switching fee. In addition, you may also be required to pay *break costs* in accordance with clause 11 of Part A.
- 8.4 Any change to your *facility type* is separately agreed between us and you as a change to the *terms* of this *facility agreement*.
- 8.5 The *annual percentage rate* for the new *facility type* is the sum of the *margin* and the *commercial rate loan base rate* applicable on the *variation date* (or if there is no *balance owing* on your *facility account* on the *variation date*, on the first *drawdown date* on or following the *variation date*). You must then commence paying interest on the *interest payment date* for the new *facility type*.
- 8.6 A new *interest period* will commence on the *variation date* (or if there is no *balance owing* on your *facility account* on the *variation date*, on the first *drawdown date* on or following the *variation date*).
- 8.7 On and from the *variation date*, these *General conditions*, as they relate to the *facility type* you have switched to, will then apply.

9. Interest period

- 9.1 If you have a *variable commercial rate loan*, your *interest period* is either 1 month, 2 months, 3 months or 6 months as stipulated in the *schedule*. If you do not provide a *request notice* (as permitted by clause 9.6(a) of this Part D), each subsequent *interest period* will be for the same period as the previous *interest period*.
- 9.2 If you have an *interest capitalised variable commercial rate loan*, your *interest period* is either 1 month, 2 months or 3 months as stipulated in the *schedule*. If you do not provide a *request notice* (as permitted by clause 9.6(A) of this Part D), each subsequent *interest period* will be for the same period as the previous *interest period*.
- 9.3 If you have a *fixed commercial rate loan* your first *interest period* is either 1 year, 2 years, 3 years, 4 years or 5 years as stipulated in the *schedule* or as specified in the *request notice* for any subsequent *interest periods*.
- 9.4 If you have an *interest prepaid commercial rate loan* your *interest period* is 1 year for the first year and for each subsequent year in which you make an election under clause 6.5 of this Part D.

Changing your interest period

- 9.5 Where reasonably necessary to protect our legitimate business interests or where such adjustment is not unfavourable to you; we may adjust the *interest period* at any time without your consent. For example, we may adjust the *interest period* so that it ends on a *business day*, matches the end of the *term* or better aligns with your rollover or statement dates.
- 9.6 If you have a *variable commercial rate loan* or an *interest capitalised variable commercial rate loan*:
- (a) you may ask us to change the *interest period* at any time. You can make a request by providing us with a *request notice* at least 3 clear *business days* before you want the change to take effect;
 - (b) we can consent or refuse your request to change your *interest period* for any reason. For example, we need not allow you to change an *interest period* if the *interest period* is not due to expire; and
 - (c) if we agree to change your *interest period* then:
 - (i) the new *interest period* will either commence on the date specified in the *request notice* or at the end of the *interest period* stipulated in the *request notice*, as directed by you;
 - (ii) the new *interest payment date* will be the last day of the new *interest period*;
 - (iii) if the date of the change is not an *interest payment date* you may be required to pay *break costs* in accordance with clause 11 of Part A; and
 - (iv) you may be required to pay us a switching fee.
- 9.7 In addition to your rights to select an *interest period* in accordance with clause 5.3 of this Part D, if you have a *fixed commercial rate loan*:
- (a) you may ask us to change the *interest period* prior to the expiration of your current *interest period* by providing us with a *request notice* at least 5 clear *business days* before you want the change to take effect;

- (b) we can consent or refuse your request to change your *interest period* for any reason. For example, we need not allow you to change an *interest period* if the new *interest period* exceeds the remaining *term* of the *facility*; and
- (c) if we agree to change your *interest period* then:
 - (i) the new *interest period* will commence on the date you and we agree;
 - (ii) the *interest payment date* will be the same date in each month as the date of the change to the *interest period*;
 - (iii) the *annual percentage rate* for the new *interest period* will be calculated in accordance with clause 5.3 of this Part D;
 - (iv) you may be required to pay *break costs* in accordance with clause 11 of Part A; and
 - (v) you may be required to pay us a switching fee.

10. Repaying early

Variable commercial rate loan or interest capitalised variable commercial rate loan

- 10.1 If you have a *variable commercial rate loan* or an *interest capitalised variable commercial rate loan*, you may repay as much of the *facility amount owing* as you choose on an *interest payment date*. If the payment is made on a day other than an *interest payment date*, *break costs* may apply in accordance with clause 11 of this Part D.
- 10.2 You may only *redraw* any amount repaid early in accordance with clause 11 of this Part D.

Interest prepaid commercial rate loan

- 10.3 If you have an *interest prepaid commercial rate loan* you may repay as much of the *facility amount owing* as you choose at any time during an *interest period* without penalty. However, if you wish to elect to make such a payment, no amount will be rebated to you in respect of interest that you have prepaid.
- 10.4 While your *facility* is an *interest prepaid commercial rate loan* you may not *redraw* any amount repaid early.

Fixed commercial rate loan

- 10.5 If you have a *fixed commercial rate loan* and you make a payment of the *facility amount owing* or any part of the *facility amount owing* on any day other than the last day of the *fixed rate period*, *break costs* may apply in accordance with clause 11 of this Part D.
- 10.6 While your *facility* is a *fixed commercial rate loan* you may not *redraw* any amount repaid early.

All facility types

11. Redrawing amounts

- 11.1 This clause 11 only applies to amounts repaid early under a variable commercial rate loan or an interest capitalised variable commercial rate loan.
- 11.2 Subject to clause 11.1 of this Part D, if you have repaid amounts early under this facility (for example, if you have made an unscheduled payment), you may ask us to allow you to redraw any amount repaid early. Any amount redrawn becomes part of the balance owing on your facility account. The annual percentage rate applying to the redraw will be the annual percentage rate applying to the interest period current at the time of the redraw.
- 11.3 You may only ask to redraw up to the amount that results in the balance owing on your facility account being not more than the facility limit or reduced facility limit. If for whatever reason the amount you redraw exceeds this amount, you must repay the excess immediately.
- 11.4 You may request a redraw by providing us with a request notice at least 5 clear business days before you require the redraw amount.
- 11.5 Redrawn money will only be made available to you by deposit into your nominated account.
- 11.6 You may only redraw an amount in accordance with this clause if you meet the following criteria:
- (a) you have not dealt with any *security* without our consent;
 - (b) you are not, and any *debtor/guarantor* is not, in *default* under this *facility agreement* or any *security*;
 - (c) you are not relying on any statement or representation by us (including our employees) or our agents relating to the taxation effects of making the *redraw*. (You should obtain your own tax advice.);
 - (d) you have not provided subsequent *security interests* over *security property* to other parties;
 - (e) the *facility limit* has been fully drawn; and
 - (f) any *security property* has not, in our opinion, been diminished in value.

Each time you *redraw* an amount you declare these things to be true. If, for whatever reason, you do not meet the *redraw* criteria and a *redraw* is made, you must immediately repay the *redraw*.

- 11.7 We may impose fees and charges in connection with a *redraw* in accordance with this *facility agreement* and the Business Banking Guide to Fees and Charges.
- 11.8 You can find out what the minimum *redraw* amount is and how much you have available for *redraw* by calling us or asking at any branch.
- 11.9 If a *change of credit* occurs or where it is otherwise reasonably necessary to protect our legitimate business interests, we can end your rights to *redraw* under this *facility*. We do not have to tell you first, however, we will tell you as soon as reasonably possible afterwards.
- 11.10 If there is more than one of you, then any of you or an *authorised officer* of any one of you may request a *redraw* of any amount available for *redraw*. If we allow the *redraw* we need not consult any other of you.
- 11.11 You cannot *redraw* a *reduction* or *special reduction*. However, you can use amounts available for *redraw* to pay a *reduction* or *special reduction* in full or part.

12. Financial markets transactions

- 12.1 Should you wish to manage your exposure under this *facility* you may do so by entering into one or more financial market transactions with us under our *financial markets documentation*.
- 12.2 Before entering into a financial market transaction you will be required to sign *financial markets documentation* which, amongst other things, provides details as to who will be authorised to enter into financial market transactions on your behalf. Depending on the size and type of your business, you will also be issued with either:
- (a) a financial services guide and the relevant Product Disclosure Statement(s); or
 - (b) Financial Markets Wholesale *Terms and Conditions*.
- The above documents and the *financial markets documentation* must be read in conjunction with this *facility agreement* and therefore you must ensure that you have read and understood these.
